**Part 2 (15 minutes)****Reading****Task 1**

Read the article about a film called *Dinosaur Island* and then answer the questions. For questions 1 – 7, mark **A**, **B**, or **C**.

**FILM REVIEW : *DINOSAUR ISLAND*****George**

I went with my younger brother to see this film. I had a great time, but he didn't. He had to close his eyes in some parts because the dinosaurs looked so real and he didn't laugh once. I thought the story was really exciting and the clothes were amazing. I'd like to buy the DVD and watch it at home too. The beginning and the ending were excellent!

**Cathy**

I saw the advertisement for the film on TV and it looked great but it wasn't as good as I hoped. I loved the beginning but the second half was boring. I think, I wouldn't go and see it again. I like films about teenagers and their lives much more. I think those are funnier. I've bought a brilliant book about film-making. I'd love to be a famous actress one day and wear lots of wonderful clothes.

**Andrew**

I didn't want this film to end because I liked it so much! I read this story before I saw the film. I usually enjoy the books more, but this time it was the opposite! I enjoyed feeling afraid but I laughed a lot in parts of the film too. I read all about how they made the dinosaurs on the internet after I went to see it. I think most young people will love seeing this film!

## Task 2

Read the passage about people who wear uniforms, and then decide whether the sentences **8 – 12** are **TRUE** or **FALSE**. Circle your answer.

People who are in the same group, team or occupation often wear the same clothes so that they can be easily identified. These types of special clothes are called uniforms. Many people are proud to wear their uniform as it shows they are part of a team.

Football players all wear shorts, tops, socks and football boots that are very much the same – however, the colours are different and each team has its own design and special logo. These are so popular that millions of children all around the world like to wear the same clothes as their favourite footballers.

Workers such as fire fighters and police officers need clothes that protect them, as their work can be dangerous. It is important to wear a helmet to protect the head from injury. Other occupations such as doctors and nurses wear uniforms so that people know who they are. Uniforms also protect their own clothes and are more hygienic.

Many schoolchildren all around the world also wear uniforms. Not all pupils like this – however, school uniforms do have a lot of advantages. They make children feel a part of their school and they make everyone look the same, with no difference between rich and poor.

Finally, if you have a uniform there is one big advantage. You don't need to spend hours every morning deciding what to wear!

**8.** Football teams wear the same clothes but in different colours. *True/ False*

**9.** All schoolchildren have a uniform. *True/ False*

**10.** Doctors usually wear helmets. *True/ False*

**11.** People never like wearing a uniform. *True/ False*

**12.** It's easy to identify people's jobs if they wear a uniform. *True/ False*
